### Admission Requirements:
In addition to admission to the College, there are specific admission requirements, which can be found on the college Web site at:

http://www.pvcc.edu/programs_study/degree/deg_nursing_aas.php.

**Admission Process:** Students must select Nursing AAS as their program of study on the College’s Web application. If currently enrolled in a program of study, students are required to meet with a counselor/advisor to change their curriculum of study. Students are strongly encouraged to meet with an advisor or a counselor each semester.

2 BIO 141, BIO 142 and NAS 185 must be repeated if they were taken more than 8 years prior to application for admission to program.

3 BIO 141 and BIO 142 are prerequisites for the second year nursing courses.

4 In addition to successful completion of first year nursing courses, NUR 201 has a prerequisite of ENG 112. This course (NUR 201) fulfills the Writing Intensive Course (WIC) requirement for this degree program. Students who are awarded transfer academic credit for this course from another institution must fulfill the (WIC) requirement for this degree by completing another Writing Intensive Course.
